Subject: Approval of Reclamation Surety, Rock & Stone LLC, Strawberry River Quarry, S0130008, Duchesne County, Utah

Dear Mr. Read:

On July 16, 2007, Division Director John Baza signed the reclamation contract for the Strawberry River Quarry, and a copy of the contract is enclosed for your use. By this action, the Division has approved the reclamation surety for the Strawberry River Quarry.

Thank you for your cooperation in completing this action. Please keep in mind that you must revise the Notice of Intention to Commence Small Mining Operations before the quarry may be expanded, and this may necessitate revision of the reclamation surety amount.

The Division's web page at <http://ogm.utah.gov/> under the Mining Program has links to the rules under which you are expected to operate and to other information to assist you in complying with program requirements. In reply, please refer to file number S0130008. If you have questions or concerns regarding this letter, please contact me at (801) 538-5258 or Paul Baker at 538-5261.

Sincerely,
